

# National Service Scheme (NSS)

## Introduction

National Service Scheme (NSS) is one of the Nobel experiment in academic work of college. It inculcates the spirit of voluntary work among the students and teachers through sustained community interactions. They do something positive during the work in NSS unit. It brings our academic institutions closer to society. It shows how to combine knowledge and action to achieve results, which are desirable for community development in the adopted villages through it raised to higher material and moral in the life.

NSS volunteers work hard day and night to ensure that every one in our society who is needy gets the every possible help from them so that they can also enhances their standards and lead a life of dignity in the society with all of us. In doing so the volunteers themselves learn a lot from the people in villages like how to struggle and how to lead a happy life in the extreme scarcity of resources.

National Service Scheme (NSS) was launched during 1969, the birth centenary year of Mahatma Gandhi, in 37 universities involving 40000 students. NSS is an extension dimension to the higher education system to orient the student youth to community service while they are studying in educational institutions. It is being implemented by the Ministry of Youth Affairs and Sports, Government of India.

Smt. Kusumtai Rajarambapu Patil Kanya Mahavidyalaya strat the NSS unit since from 1989 as a single unit, latter second unit has been started from 1998 that enrolled total 200 volunteers with two separate NSS programme officers.

## Aims and Objectives:

1. To understand the community in which they work.
2. To understand themselves in relation to their community.
3. To identify the needs and problems of the community and involve them in problem solving process.
4. To develop among themselves a sense of social and civic responsibility.
5. To utilise their knowledge in finding practical solution to individual and community problems.
6. To develop competence required for group-living and sharing of responsibilities.
7. To gain skills in mobilising community participation.
8. To acquire leadership qualities and democratic attitude.
9. To develop capacity to meet emergencies and natural disasters.
10. To practice national integration and social harmony.

## Moto Of NSS:

The motto or watchword of the National Service Scheme is "**NOT ME BUT YOU**".

## NSS Symbol:

- The NSS symbol is based on the "Rath" wheel of the Konark Sun Temple situated in Odisha.
- The navy blue colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.
- The Red colour in the badge indicates that the NSS volunteers are full of blood i.e. lively, active, energetic and full of high spirit.
- The giant wheels of the Sun Temple portray the cycle of creation, preservation and release, and signify the movement in life across time and space.

### **Activities undertaken by NSS Unit:**

#### **Extension**

Smt. Kusumtai Rajarambapu Patil Kanya Mahavidyala established for the education and personality development of rural and semi-urban girls in Islampur from walwa, sangli district to fulfill the all possible requirement to enrichment various challenges and new knowledge through extension activity. Extension activity inspired students and gifted various challenges without extra-work that allow new pathways to find out their potentiality in order to drive utility herself and contribute to the society. College always linked with society, is part and partial involvement to build the betterment that contribute for social rejuvenation in various ways by adapting different programmed plan from 2012-2017.

#### **Importance in social responsibility**

Education is continues process of preparing the individual to find potentialities of students. Our educational institution is the important social missionary to develop the society expected the national build. The modern ideologies of Education involve community oriented education, basic education and its extensional activity. Educational Philosophy lays great stress on the development of the society through the educational process and it is by the society, for the society and of the society. Higher Education has run different objectives such as reestablishment of human principles, character building, promotion of abilities, cultivation of self-respect to foster moral values, spiritual thoughts, creating the feeling of universal brotherhood, developing scientific attitude, extension activities after teaching and research to gratify the social responsibilities.

## **Peacock feather Opportunities**

Quality Education believes in learners' centered curriculum and promotion of extension activities as per the need of the neighborhoods of the institute, like adult literacy, women empowerment, human rights awareness, legal rights awareness, protection of environment, rainwater harvesting, health awareness, hygiene and sanitation, prevention of diseases, prohibition of alcohol consumption, power and energy saving strategy, first aid, women and child care, train for time management, financial planning, waste management and revival of culture and heritage. Many more policies and programs introduced by the government and the active work of NGO will not be sufficient to achieve the expected ends unless the student community takes virtual interest to restructure the society in order to arrive at social renaissance, NSS and other such programmes in campus provide platform to do it extracurricular activities in college life. . Students should find their value heritage which has been transferred from their forefathers and enrich the same to leave it their next generation, motivate students to develop a scrapbook of great donors whom contributed for the humanity by open eyes to assume social responsibility with creative social sense, encourage students for the collection of studies to develops the personalities who work for the betterment society. The growth and development of the institution remains greatly on its interest towards the empowerment of the society through its extensional welfare programmes for the society because both the society and the institution are knitted well to support each other. If every educational institution takes responsibility of the society surrounds it, the great dream of empowerment can better be achieved.

## **Village adaptation for social contribution**

We adopted three villages from 2012-2017, Hubalwadi-2012-13; Narsighpur-2013-14; and Manikwadi-2014-15,2015-16, 2016-2017 to be developed in social, economical, educational, health and hygienic spheres, which can be understood in various means by providing mass literacy, mass awareness about governments welfare schemes, child care, women welfare, availabilities of schemes for the Challenged people, health and hygienic habits, legal rights and understanding responsibility and rights of citizen facilitate social empowerment. Currency literacy, energy conservation schemes, adopting safety in operation and maintenance of electrical accessories and equipment should be useful to the society. Quality Health services can be rendered at affordable cast will be good, the cultural heritage and the tradition of the place should be preserved and enriched.

## **Light on work:**

Prevention of alcohol consumption, smoking, tobacco and gutaka chewing and providing rehabilitation for the victims that facilitates the society to live the life happy, peaceful and meaningful with desirable ideals, standard and values among youth through discussion, seminars, expert lectures, poster and slide shows etc. are the responsibility of the institution. Supporting

NGOs and governmental agencies work on the empowerment of the society through expected participation that help and to make contribute for the betterment of the society.

The institution take due interest in creating awareness among mass, the importance of obedience to the law and encourage the public to cooperate by remitting taxes in time genuinely, voting in the election, respecting democratic principles and to assure peaceful coexistence among each other will enable ideal society. Extra -curricular activities will open avenue for the students to make social participation and contribute for the social empowerment they are such to mention, NCC, ECO Club, Tracking club, Botanica, Science club and study tours. The institution itself can take moral responsibility for the empowerment of the society through financial, man power, goodwill and cooperation with the different agencies who work for the same. The students conduct surveys, educate through rallies e.g. run for vote, Aids rally, Polio rally and street plays where students directly involve in the different campaigns by the government and nongovernment agencies.

Students participate and work at grass-root level to understand the social responsibility, gratification of institutional social responsibility through enhanced extension activities from anonymity to eminence on the part of educational institution in general and the society where it located in particular. The dreams for powerful and prosperous India build through such educational, social activities take interest and rightful effort for the students.

### **Golden gift for students**

The various programmes were conducted since from 2012-2017 that planned and hand over these golden gift for students to enriched their capacity in personality development through directly or indirectly by the society, for the society and of the society by means of participating in the neighborhood community to social issues discussed above and holistic education which aims at helping participated students be the most self actualization, perspective that linked with the development of everyone's intellectual, emotional social, physical, artistic, creative and spiritual potentials.
